SALADO FLAG PROGRAM

For past participants, for whom we are thankful, the Salado Flag Program, sponsored by the Rotary Club of Salado, needs no introduction. It is the premier fund raiser for the Salado Rotary Club Scholarship Program for graduating SISD students. We hope that you will continue to support the program and urge your neighbors to join.

For future participants the Salado Flag Program is simply subscribing to the program with the Rotary Club of Salado. Thereafter Rotarians will place United States flags at a place of prominence in your yard or business on six selected holidays throughout the year. The holidays we will be observing this year are:

Armed Forces Day	16 May
Memorial Day:	31 May
Flag Day:	14 June
Independence Day:	4 July
Labor Day:	6 September
Veteran's Day:	11 November

The price is the same as last year, just \$30 for all six dates. The proceeds will go primarily to Salado High School student scholarships. If we exceed the scholarship needs, additional proceeds will be applied to worthy local projects.

This year our goal is to increase our subscriptions by at least 15% and provide an overall neighborhood flag-patriotic landscape. To accomplish this we will need your help, not only through your personal subscription, but through your neighbor's subscription. Before you send in the completed form, check with your neighbors to see if they are signing up as well. This is your chance to proudly fly our national colors, show your civic pride, and support the young people of your community.

Out-of-town businesses that have a Salado customer base are encouraged to make a donation. These businesses will be recognized at the scholarship awards program this spring.

Please return your subscription cards and payment NLT **30, April, 2010**. This will give us a chance to form and/or adjust our routes accordingly. See form on the back of this page.

If you have any questions, please call the number listed in the heading of this letter or Ben 947-5462, or Gerry 947-3901.

Thank you again for your support of this wonderful Salado tradition.

Sincerely,

Rip VanWinkle
